

Light in Winter

Festival of Science & the Arts

Light in Winter is a unique three-day festival of Science and the Arts. For the last six years, Light in Winter has attracted thousands of participants, with a strong and devoted consumer base in Tompkins County as well as from 76 other counties and cities. Your Sponsorship of the Light in Winter Festival lets everyone know that you are a partner in keeping this unique festival strong- and our community vibrant.

January 22-24, 2010
